Newsletter Of The Badger Region Cadillac & LaSalle Club - Wisconsin

Hello Everyone

Cathy Cadillac wants to remind you of the November meeting for the Badger Region CLC is November 18th at 10am, Waukesha State Bank, 18300 W. Capitol Drive, Brookfield, WI.

As in years past we will not have a December meeting, so our November meeting will close out 2023 business, and we will start new on January 20, 2024.

HOPE TO SEE YOU IN NOVEMBER AND JANUARY!

A Note from the Newsletter Editor...

Many of you might have noticed the absence and the reduction in issues of "The Enlightener" this year. It seems once you and your spouse are both retired, you are thrown into a Star Trek time warp continuum. This phenomenon manifests itself in a frequent state of travel "beaming" yourself in many places and trying to enjoy those areas while you are there. Most of the time, those short bursts of the 3R's, (rest, relaxation, and retirement) are welcome. Eventually the time warp thing kicks in and you realize what you thought was one day has actually been a week and now you should be at another place on the planet.

In summary, we were out traveling and time got away from me to where I couldn't get newsletters out in a timely manner. I am also involved with the National CLC on the National Meets and Tours Committee in helping to plan Winter Board Meetings and Grand Nationals. This is also an enjoyable and fulfilling job so you can have a great experience every year at a new area in the USA, again it is all about time.

It is still important for you as Badger Region CLC Members to contribute to the newsletter with stories, hints, tips of repairs, or if you have something to share with the others in the club, send in the articles, we can use the content. I do have one or two articles submitted over the summer ready to be edited and included in upcoming newsletters, so stay tuned.

If you see the "USS Tundra-Jayco" out on the road in 2024, just know we are "beaming" out for another adventure, and the newsletter might be a bit late for that month. Happy Travels to you all!
